MINUTES DRAFT

1) Call to Order

Windell called the meeting to order at 2:02 pm.

a) Roll Call

- **Members present:** Catalina Burillo, Hannah Juhl, Scott Beal, Dean Hodges, Andrew Mullen, Sue Payne
- **Absent:** Noble Graham-Lattin, Maria Rosas
- **Others present:** Nichole Kleiner, Kendra Gilcrest – Oceana Herald Journal

2) Approval of Agenda – Motion by Andrew, supported by Scott to approve the agenda with the addition of action item 6a “authorize Director to apply for up to \$20,000 through the Michigan Arts & Cultural Council for the Music on the Commons series”. Motion carried.

3) Public Comments – none

4) May Minutes – Motion by Scott, supported by Andrew to approve the May minutes. Motion carried.

5) May Financials – May financials tabled.

6) Action Items

- a) Motion by Catalina, supported by Scott to authorize Director to apply for up to \$20,000 through the Michigan Arts & Cultural Council for the Music on the Commons series. Motion carried.

7) Updates/Discussion Items

- a) **Development Committee Update** – Andrew reported that the Development Committee met on June 19th and included Catalina, Sue, and Andrew who first prioritized the list of strategic action items the board had identified in 2023 choosing to focus on 1) reviewing the city’s development policies to ensure that projects are not unnecessarily held up by the city or its processes. 2) The industrial park covenants, promotion and marketing of, potentially listing the 2 remaining city lots with a realtor and 3) the Creeks Development. Topics added to the list included 1) establishing a local code enforcement program, 2) Housing Development Opportunities including consideration for senior retirement housing and 3) educating boards & council on results of housing study and outcomes if we do not make the housing stock a priority.
- b) **Marketing Committee Update** – Scott reported that the marketing committee met on June 20th and included Noble, Scott, and Nichole who prioritized (from HEART’s strategic plan) to focus on 1) completion of wayfinding signage 2) being consistent with branding, establishing a “brand kit” and possibly consolidating all of Hart’s Social Pages to remove confusion on where to find information. 3) expanding events with the suggestion of adding activities that will keep people downtown longer, utilizing the rail trail for a race/triathlon, expand on Hart Hills event, small business workshops, more happening during music on the commons – possibly adjust the time to attract tourists who might prefer 5-7pm, themed nights, DJ Bingo, host a local celebrity. Expand events at artwalk. 4) fundraiser for a light show at Hart Lake 5) promote that we are a “foodie” destination 6) provide more area info at trailhead 7) budget for paid advertising to promote Hart 8) designated historic district plaque for courthouse lawn 9) more welcoming entrances to historic district and John Gurney park
- c) **Business Support & Talent Committee Update** – Hannah reported that the BSTC met on June 20th and included Noble, Hannah, and Catalina who prioritized HEART’s strategic action items to focus on 1) small biz workshops, 2) hosting an annual meeting 3) youth engagement 4) engaging minorities 5) selling Hart

merch as a HEART fundraiser including tin man accessories 6) offering a full business directory available by QR code 7) focus on childcare 8) food access 9) indoor playground for kids

- d) **Call for Artists Support** – Nichole reported that she’s looking for help to get the word out on two open call for artists 1) for a troll on the bank by the State St bridge and 2) for a solar tree charging station
- e) **Wayfinding signage update**- Nichole reported that instead of trying to modify the signs to be illuminated by LED solar lights which would bring them into compliance, she paid the extra \$4k to have them reprinted in fully reflective panels as required by the road commission. ETA for intall is end of the month
- f) **Church, Ceres Property, Walkers Parking Lot** – Nichole let the board know that TIFA formed a committee to make a recommendation for use of the church buildings and they have to good tax paying candidates. The Ceres Property demolition application requesting \$350k in funds with no match required, through EGLE was submitted by Nichole in hopes of receiving the funds. TIFA has awarded the bid for the Walkers Parking Lot to Wadel Stabilization to be completed by November.

8) Member comments-

- a) **National Asparagus Festival Comments:** Sue mentioned that if you were in the parade, you had no way of getting back to where you started – it ended far from where it began & where the vehicles were. The parade route not going through downtown was a concern.
- b) **Hart Sparks Comments** – Could food trucks park on Main Street instead of in parking lot & we bring in picnic tables – possibly a DJ under the commons arch instead of a band & have activities going on – low fireworks were hard to see from the neighborhoods.

9) Adjournment –Motion by Catalina, supported by Andrew to adjourned at 2:57 pm. Motion carried.

Respectfully Submitted,
Nichole Kleiner
Economic & Community Development Director

Hart Heritage Preservation Group
Board of Directors and volunteers

RE: City of Hart
Historic District Support

Distinguished Board Members,

The purpose of this communication is to propose a course of action that may help the Hart Heritage Preservation Group to reorganize in an effort to retain the 501c3 designation and to allow past efforts of the group to continue into a new period of development in the Hart Historic District.

During recent meetings, it's clear that our lack of volunteer and board member interest is leading to a tough decision that may include dissolving the board itself. This would be a tragedy with respect to the thousands of volunteer hours and donations that led us to the beautiful state of the Historic District offerings we enjoy today.

The Hart Economic and Redevelopment Team is a non-profit organization that focuses on economic and community development strategies and solutions. The group is a 501c4 organization and thus is operated exclusively to promote social welfare.

Being that the HEART board and the HHPG board have aligned goals, it may be a good solution to allow the current board members to serve a dual role as board members of both non-profit organizations. This arrangement could allow the use of city administration to assist with bookkeeping and annual tasks.

The City of Hart's new Park and Recreation Superintendent, Chris TerHaar has met with Russ Robbins several times and has offered to assist with rental operations and would like to see the new city department help to facilitate operations in the future and oversee volunteer coordination.

The Current HEART board consists of several Hart area business owners, representation from the visitors bureau, and city council. These people have a vested interest in seeing future growth in the community benefit that the historic district provides and it's role as a tourist attraction.

Please note this is a proposal open for discussion and would require approval by both boards prior to execution. Feel free to reach out with any questions or concerns and I will do my best to bridge communication as your board discusses the opportunity.

Respectfully,

Rob Splane, City Manager
